Phone Number : +212658045721

Address : Martil , Tétouan .

GitHub : medelafia (mohamed el afia) (github.com)

Entry-level full-stack developer with a Bachelor's degree in Mathematical and Computer Science. My training has given me a solid understanding of mathematical principles and programming skills. During my academic career, I learned to master languages such as Python, Java, JavaScript, C , PHP , and SQL, and to use frameworks such as React js and Spring boot and others skills like machine learning and deep learning .

Skills

- Html / Css
- JavaScript
- Java / Java EE
- C Language
- PHP
- SQL
- Python
- React Js
- Bootstrap
- Spring Boot
- Material UI
- Data structures
- Os(Linux / Windows)
- Git/Github
- Python
- Machine Learning
- Deep Learning
- Ml / DL libraries

Languages

English : intermediate

French : intermediate

Arabic : native language

Education

- **2020** Baccalaureate in Physics
- **2023** Diploma Of General University Studies
- **2024** Bachelor's degree in Mathematical and Computer Sciences

Work Expériences

- **2024- :** python and front end teacher in the international School Algorithmics in Martil

Projects

- Travel Recommendation and management web Platform (cep)

Technologies : Html / Css , JavaScript , Java EE , python , React Js , Spring boot , Spring Security , Material UI , Bootstrap , Cloudinary , Mysql , Deep learning .

- Stock management desktop application (Academic Project)

Technologies : java , java swing/awt , mysql .

- Stock management web application (Academic Project)

Les Technologies : Java , Java EE , Jsp , Html / Css , Bootstrap, Mysql .

- Users management application (Personal Project)

Technologies : Html / Css , javascript , React Js , Bootstrap .

- Disease Prediction web application :

Technologies : React Js , Python , deep learning , Tensorflow , Sckit-learn , Fastapi , Bootstrap

- More than 15 small projects

Technologies: Html / Css , JavaScript , PHP ,java , python , React Js , Spring Boot , Spring Security , Material UI , Machine Learning ,Deep Learning , … .

Certificats

- Alison certificat : Responsive web design
- International school Algorithmics : modern pedagogical methods and programming
